

PUBLIC LECTURE TOUR

# The value of fermented ethnic foods and beverages

4-9 June 2022 | Nepal

## About the lecture tour

Professor Jyoti Prakash Tamang, a world-renowned food scientist, and ICIMOD Mountain Chair (since 2019), is conducting a public lecture tour in Nepal from 4-9 June 2022. This lecture tour is focused on raising awareness, especially among the food and tourism sectors, on the importance of beneficial microorganisms in and the nutritional value of fermented ethnic foods

and beverages. He will also be providing information about the various scholarships, fellowships, and grants provided by the Government of India for scientific collaboration with Nepal.

The lecture tour is hosted by Nepali Chaurasi Byanjan Pvt. Ltd., Nepal Food Scientists and Technologists Association, Kathmandu University, and ICIMOD.
